

HOW TO BOOK

Secure Your Date

SITE VISIT

1

After looking through the website and the images on our social media platforms, if Branell Homestead looks like the venue for you, book an appointment for an exclusive viewing.

To book your appointment, head to the weddings page of our website and click on the 'Book Appointment' button. You can bring whoever you like with you - the more the merrier! At your appointment you will have the opportunity to explore the property and speak with one of our experienced staff members, who will check availability for your wedding date and provide you with a personalised quotation.

Alternatively if you do not want to come out for a viewing you can call us on 5465 1788 or via email. We can check availability and provide you with a quotation over the phone.

PAY DEPOSIT

2

A minimum 25% deposit is required to secure your booking. It is important to confirm your date is still available by calling or emailing us prior to your payment.

You can pay your deposit by credit card over the phone (5465 1788) or by electronic bank transfer (banking details are below). Once we receive your deposit, we will process your wedding booking and email you a confirmation and tax invoice. It can take 4-5 business days for your money to enter our account if you are transferring it, so please call us on 5465 1788 to let us know you have made your deposit. *Then let the fun begin!*

Bank: Commonwealth • Account name: Branell Homestead • BSB: 064 413 • Account number: 1018 8823
Payment reference: Your wedding date and name (eg: Kate24FEB23).

Three months after you have paid your initial deposit, a second 25% payment will be required. We will send you a friendly reminder when this is due. Once you have reached the full 50% deposit nothing further will be due until two weeks prior to your wedding, unless you decide to add any optional extras to your booking such as luxury cabin accommodation for your guests or hire equipment.

3

After you have secured your booking, come back out as many times as you would like to view the property, take measurements and make final preparations.
